Piqua Pep Rally

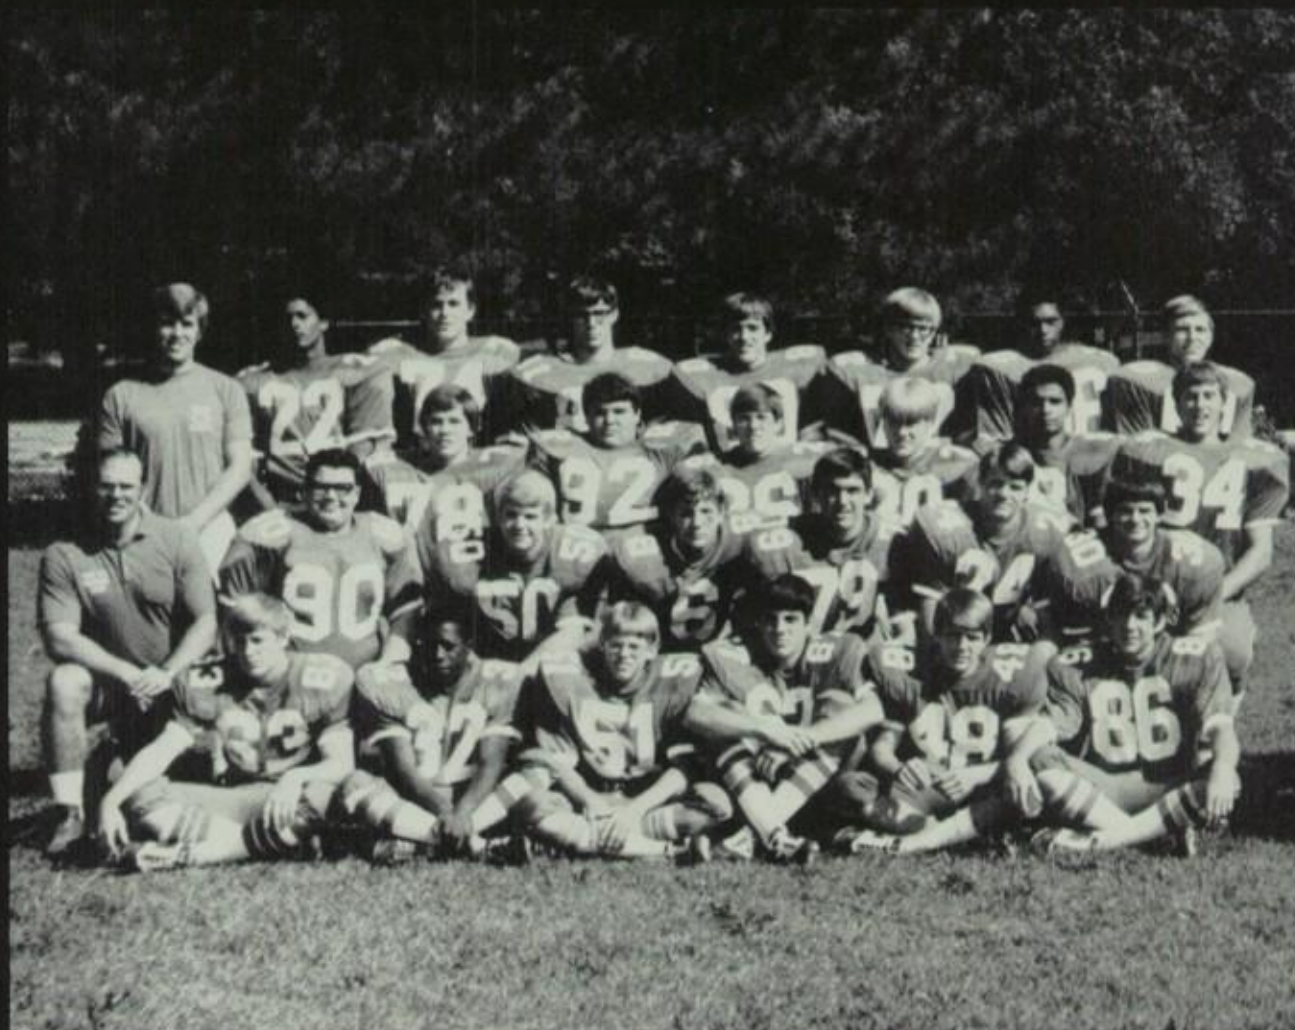

The Piqua Pep Rally in the town square was a great success again this year. We had many of the regular activities as years before. Representatives from each class gave a little pep talk, and the senior girls gave a great skit. Then, following the activities at the square, everyone went to the back of the school for the bonfire, pie-eating contest, tug-of-war, and many other activities which are held every year. As usual the great enthusiasm of the student body led our boys to a great victory over Piqua.

1st row: K. Cahill, B. Boyd, B. Silkey, J. Vaughn, S. Hartwell, G. Baker. 2nd row: Coach Blackstone, E. Cromwell, D. Bergeron, M. Hall, D. Jenkins, S. Sugg, P. Macy. 3rd row: T. Dumbauld, T. The mighty Trojan football team produced another fine season through hard work, unity, and excellent leadership by the senior members. This season's record was 8-1-1, the only flaws being a disappointing and unexpected tie with Wayne 14-14 and a hard fought loss to Fairmont West 36-12. Success seemed destined as those hard summer workouts payed off in an opening victory against Piqua, the season's most satisfying win. Chris Wilson, Dave Abrams, Bryan Ferguson, and Kevin Smith were honored by being selected all-state. Coach Blackstone is looking forward to another fine season next year with potentially great players represented in this year's junior and sophomore classes.

"The Entertainers"

The Drama Department of Troy High, headed by Skip McConnell, presented BLACK COMEDY this year at the Dinner Theatre production. This year they decided to have it a little more informal to get more high school students to come. So, instead of the large buffet dinner, they served pizza. Then afterwards you could relax and enjoy the production, put on by a cast of: Scott Timm, Edie Seiple, Lana Richardson, Jim Lyman, Mark Carr, David Bottrel, Marla Cummins, and David Gillis. It seemed to be a great success.

For the second production of the year they produced FLOWERS FOR ALGERNON, with a cast consisting of: David Gillis, Mark Carr, Scott Timm, Richard Albright, Paul Bruce, Brent Davidson, Chuck Fox, Jeff Hutcheson, Cheryl Fox, Robin Redick, Janine Voorhis, Marla Cummins, Sheryl Arnett, Melissa Smitley, Lori Nims, Terry Mintz, and Gloria Miller. This also seemed to be a great success.

"The Mousetrap" was presented as the drama department's spring play. It was a murder mystery by Agatha Christie. The cast consisted of: Valryn Warren, David Bottrell, Christopher Allen, Melissa Smitley, David Gillis, Suzanne Kramer, Mike Grove, and Richard Albright. It seemed to be an excellent play to end the year with and was a great success.

HOMECOMING

'74

Once again Troy High School had their Homecoming Celebration. The senior class chose Susan Hurst to be the queen and reign over the Homecoming festivities. She was crowned by Brad Blackburn and presented with a bouquet of mums. Her court consisted of: Sandy Twiss, Barb Ingram, Sherry Bergeron, Billee Jo Brown, Sarah Shuler,

and Sherry Cruea. Even though Troy played a hard game, they lost, but everyone returned in a festive mood on Saturday night for the dance.

The Homecoming Dance was a great success with Harvest playing and the beautiful decorations by Anne Dunnam and her committee.

Troy Cross-Country

The Troy Cross Country team had a successful season under the leadership of Jon McCoy, a senior with no former cross country experience. Coach Herb Hartman came into his first year as coach loaded with several ideas to increase interest in cross country. Already his plans are starting to work. A freshman team was formed because of the turnout and even a girl turned out for the team, a first. A canoe-run, a bicycle run, and "The Great Watermelon Race" were all his inventions for pre-season productivity.

"We finished in the top half of all our meets," noted Coach, "a good season, considering our lack of experience." The Trojans finished seventh of 16 teams in the sectional, a respectable performance. The most improved award was given to Kevin Butt, and Jon McCoy received the most valuable award.

The future looks even better for Troy Cross Country, as Coach Hartman added that we have a "good crop of freshmen and sophomores to fill in the gaps."

Troy Golf

The golf team had an excellent season, as it has now been switched to a fall sport. The dual match record was 16 and 3. The Trojans also placed a very respectable 3rd in the W.O.L. Although the seniors, Jeff Stonerock, Brad Nimer, Jeff Goodall, and Shawn Nally, will be missed next year, there are some good youngsters on the way up, such as Jim Blackmore.

Coach Richards had this to say about this year's team: "They didn't have a lot of experience but won a lot of dual matches. This lack is the reason we didn't win the big matches, and experience is a big asset in golf, as every course is different."

Troy's Girls' Tennis Team produced a fine season ending with a 6-2 record. Led by junior Debbie Shellhaas, they finished second in the W.O.L., two games behind Centerville who had an 8-0 record. The reserve team finished with a 5-0 record. We are all looking forward to next year, being that four of the top seven girls will be returning.

Girls In Sports

All cheerleading squads started off their year as always, attending camps of their choice in order to improve skills and learn new cheers and techniques. Pep rallies were organized by Mr. Brewer, Mr. McConnell, and cheerleaders. New ideas, signs, and good leadership made the year a success.

Troy Basketball

The basketball team was the best team that Troy High School has seen in the last five years. The 10-9 record was undoubtedly indicative of the team's effort. The winning season was very important to Coach John Ellis, for it was his first winning season at Troy High School. He wanted to give the seniors a winning season, and the seniors did it. On a team comprised of mostly seniors with little or no varsity experience, the Trojans beat the odds to a successful season.

The crowning achievement of the season was a Holiday Tournament Championship. Troy first beat highly-rated Piqua, a goal of any Troy team. Then came the finals and a close win over tough Tecumseh. Another high point was a victory over perennially formidable Xenia. The team avenged last year's 113-77 loss with a win and beat Xenia for the first time in ten years. In order to have a winning season, it was necessary to obtain wins in the last three regular season games. But then the luck of the draw went against the Trojans and Troy bowed out early in the district tournament to number 2 seeded Northmont.

Dave Abrams, Jim McDowell, and Stan Iddings received all-W.O.L. awards. McDowell and Iddings also were selected to the all-tourney team in the Holiday Tournament.

Sophomore guard Jeff Wagner returns next year to lead the team, along with a host of players moving up from the Reserve squad. If reserve coach John Phillips can equal this year's job of feeding material to the varsity, then next year's team could be a hum-dinger.

Music Man

The combined music and drama departments put on "The Music Man" this year. The basic plot revolved around Harold Hill, a con man who went to River City to try to sell musical instruments, and to start a boys band. But his plan failed when he fell in love with Marian Paroo. He finally ends up by really establishing a boys band.

Many hours of hard work were put into producing this musical and the people involved were greatly rewarded. Each night the performances thrilled capacity crowds.

Junior Miss

Troy High School held the Junior Miss pageant this year on November 2. Skip McConnell did a great job of directing the pageant. Annette Shook, Patty Ramey, Kaye Bolton, and Susan Hurst represented Troy High School. They competed in physical fit-

ness, scholarship, creative arts, and poise.

Maureen Mutrie of Miami East became the 1975 Junior Miss. Patty Ramey placed as 1st runner-up, and Susan Hurst was 4th runner-up. Patty also received the trophies for poise and creative arts.

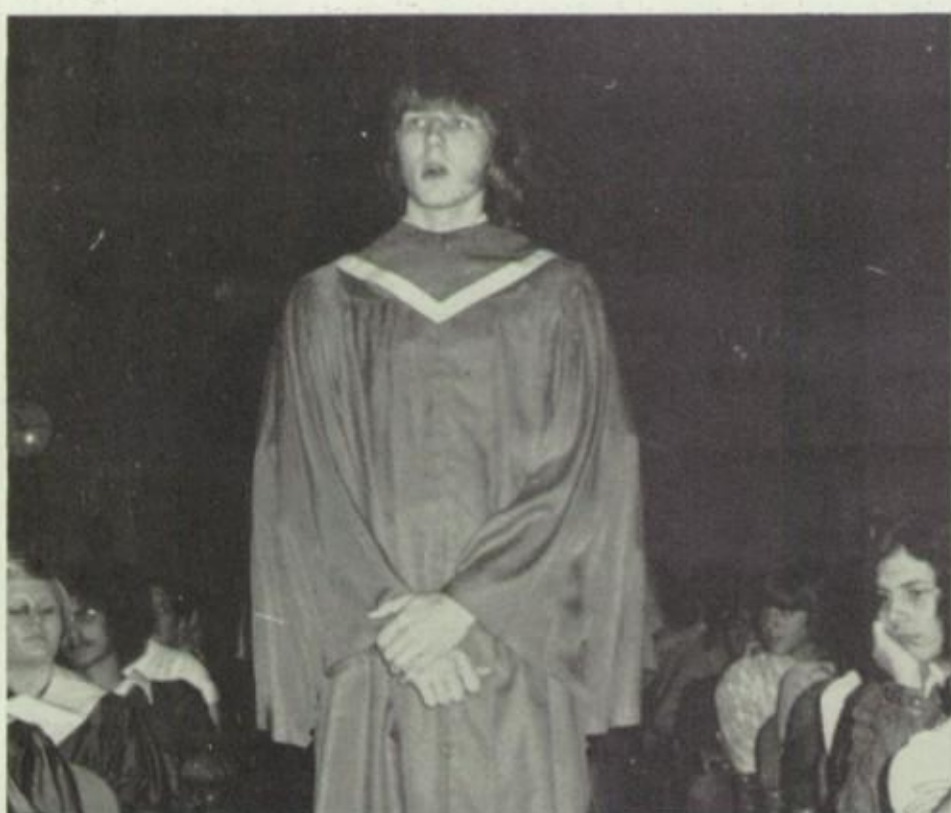

Christmas Assembly

Once again, under the fine direction of Mr. Dooley, the Christmas Assembly was a great success. The combined Freshman and Sophomore choirs sang many songs, among them "The Holly and the Ivy"

and "A Child Of Hope."

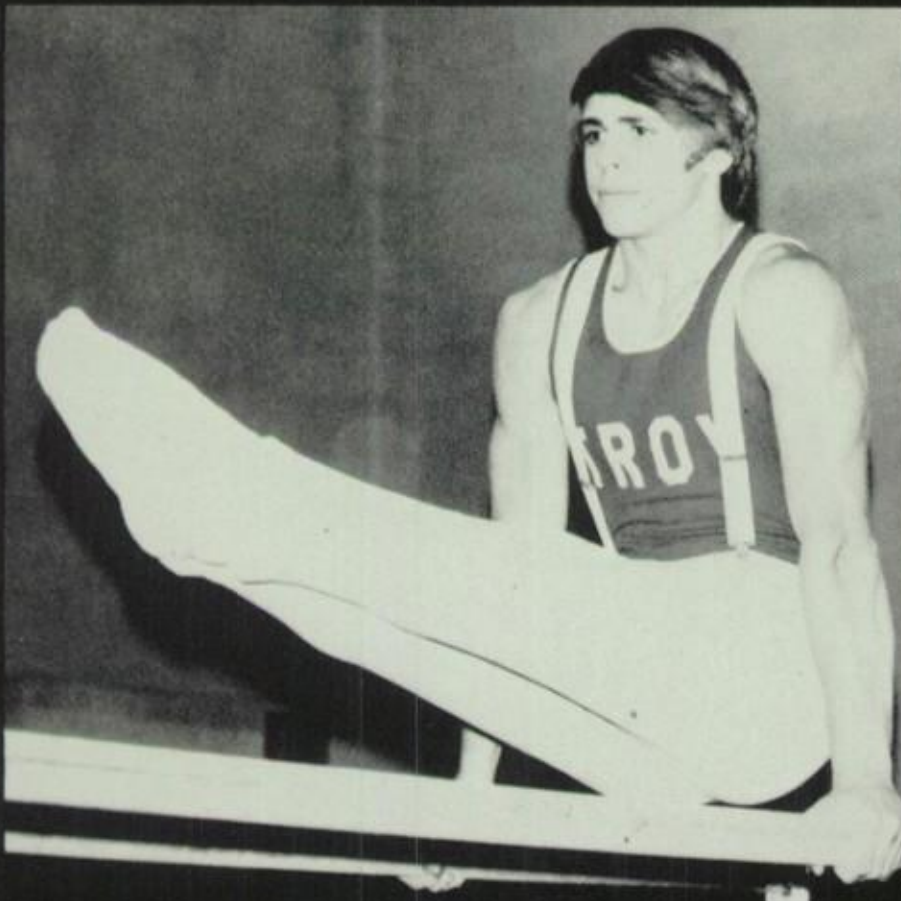

The Senior Choir sang many songs, ending with the traditional "Hallelujah Chorus." As usual, everyone got the spirit of Christmas from the wonderful music.

Senior-captain John Morrett

The Trojan gymnasts started out slow due to inexperience but, led by senior captain John Morrett, picked up momentum as the season progressed. They improved 38 points from the first meet to the last. Sophomore Mike Lyons and junior Ron Smith highlighted the season, both doing well in the state meet. Coach Simpson is hopeful for a great season next year with all team members returning except for Morrett.

Mid-Winter Formal —

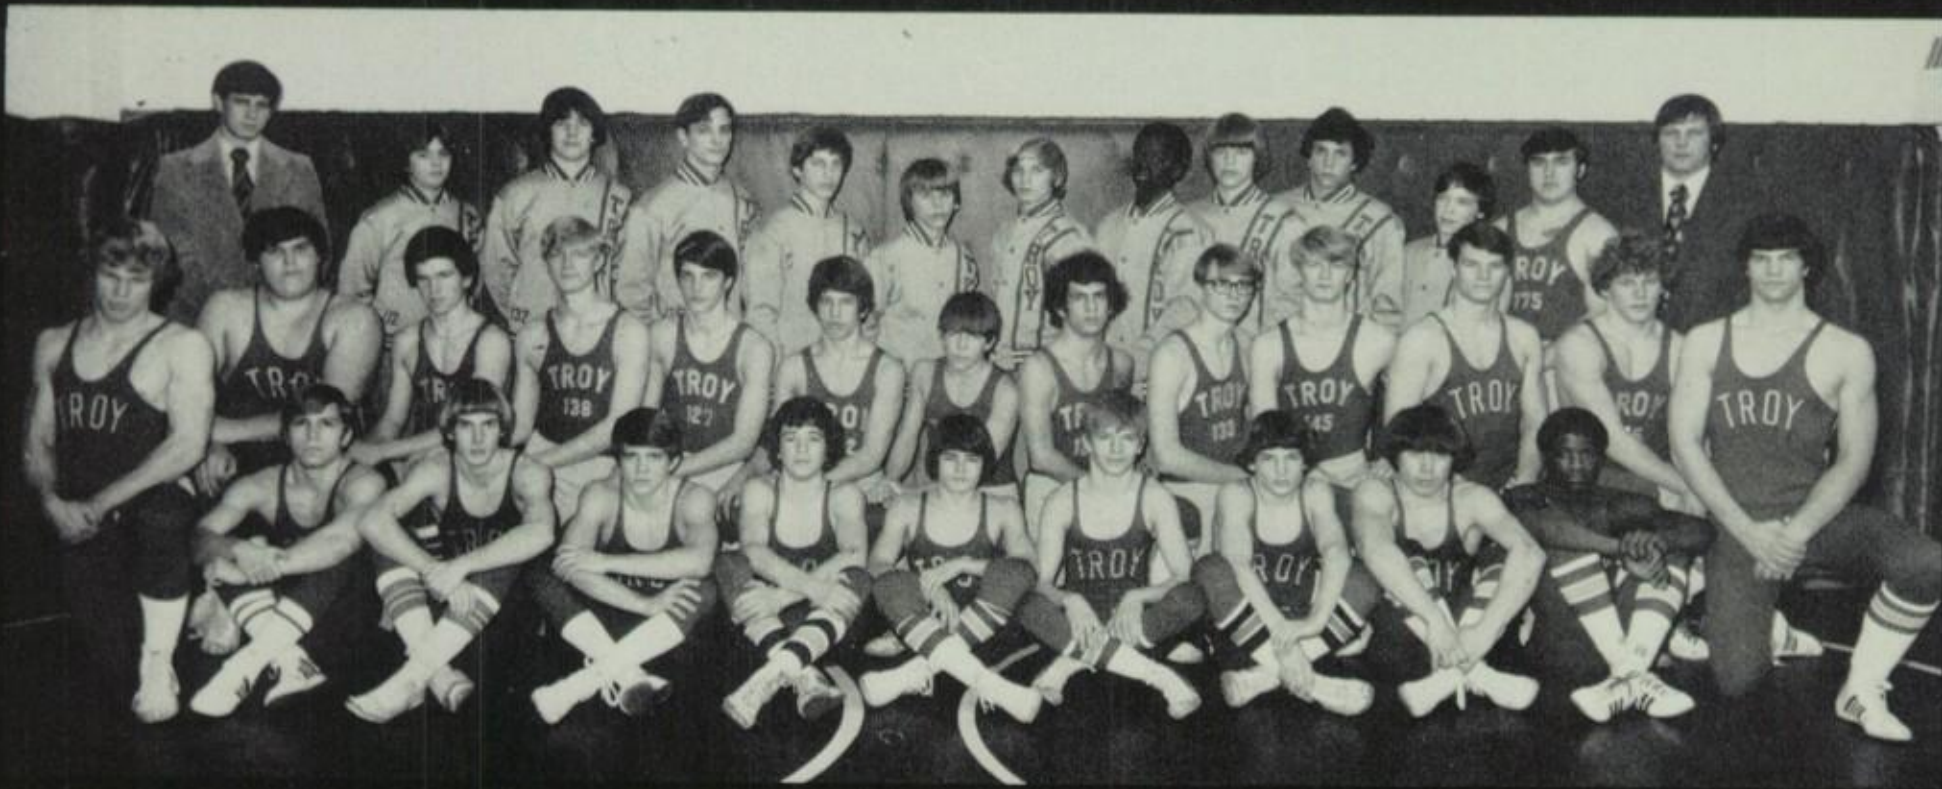

Valentine's Day

The dance was held February 1st with the theme being the great lovers of Valentine's Day. The band, the Reggie Ross Trio, played a great variety of songs. They drew such comments as "I loved them" and "They were great" and "really fantastic." Greatest lovers of the school were chosen by the student body, with the top couple being Keith Stone and Kyle Newman. They were awarded a heart with their picture in it and a gigantic candy kiss. Other famous lovers were: Rob Harrelson and Diane Brumbaugh, Mark Schnell and Janet Rhoades, Kevin Adkins and Patty Jenkins, and Jeff Wagner and Renee Seaman. Stan Iddings summed up the evening by saying, "It was a most memorable experience."

Girls' Gymnastics

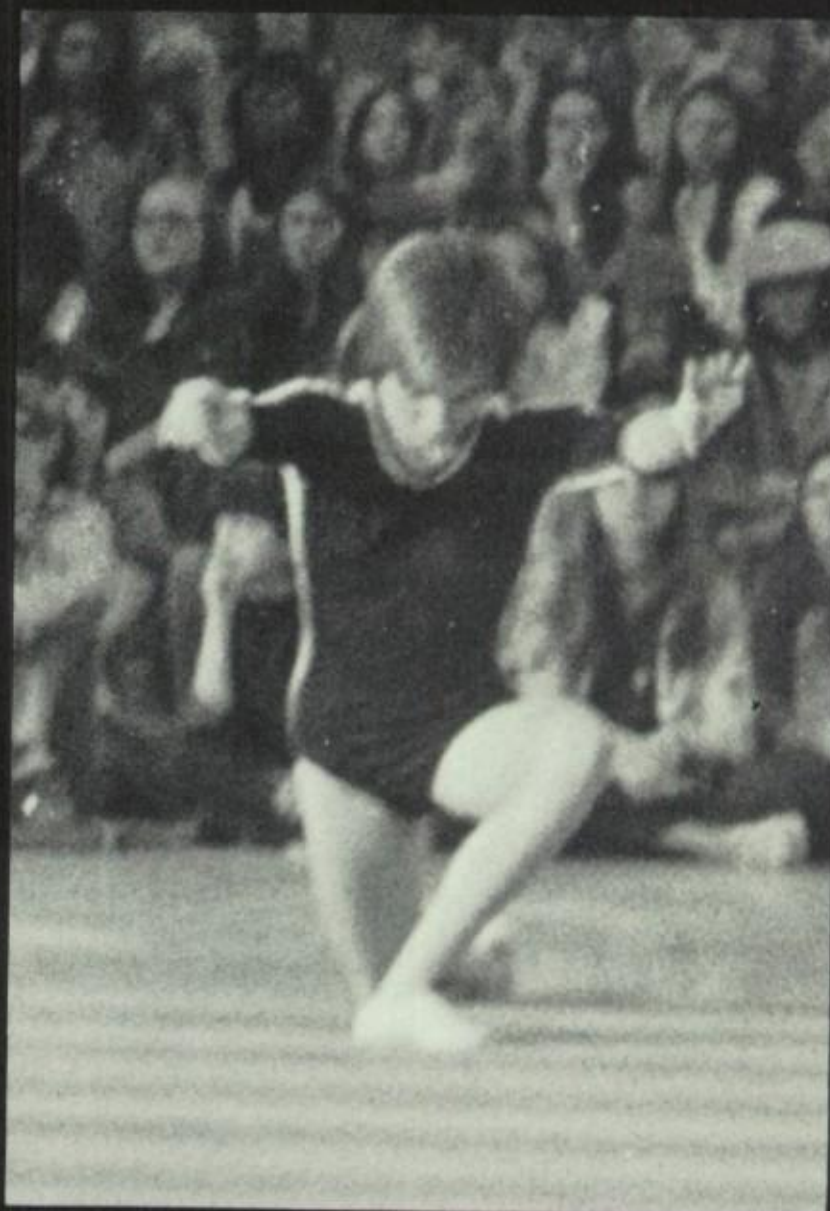

The girls' gymnastic team started out slow but, through determination and hard work, the season ended a winner, with five wins and four losses. Highlights of the season included wins over Wilbur Wright and Wayne. Julie Faulconer, Lou Ann Stockmeier, and Karla Fair all placed in the District. Coach Blackmore expects an excellent season next year with all members of the team returning.

Don't judge this year's girls' basketball team on its record; 0-11 is not a description of a good learning experience and a basis for future success. The team was led by the high scoring of Pam Duncan and Sherry Bergeron, and Beth Starkey and Laura Buckman led in rebounding. A notable source stated that "The season was worthwhile because the freshmen and sophomores learned a lot and got a chance to play basketball for the first time." Freshman Marcy Lenox led the reserve team and coach Nan Hill has high hopes for her in the future.

Troy Track

The track team did what every team would like to do: peak at the end of the season. "We got good performances at the W.O.L. meet and 12 career bests at sectional," commented Coach Herb Hartman. "We were strong at the end of the season when we needed to be." Troy finished 4th in the classy W.O.L. At the Troy Relays, which is becoming one of the most prestigious meets in the state, Troy was 7th out of 21 teams.

Leading the team was standout middle-distance man, Mark Shroyer. The muscular senior indisputably pulled down the M.V.P. award. James McDowell was one of the best hurdlers in the area, he was voted "Most Improved." Sprinter Ron Burns was awarded the "Best Track" award, and Tom Ording the "Best Field" award.

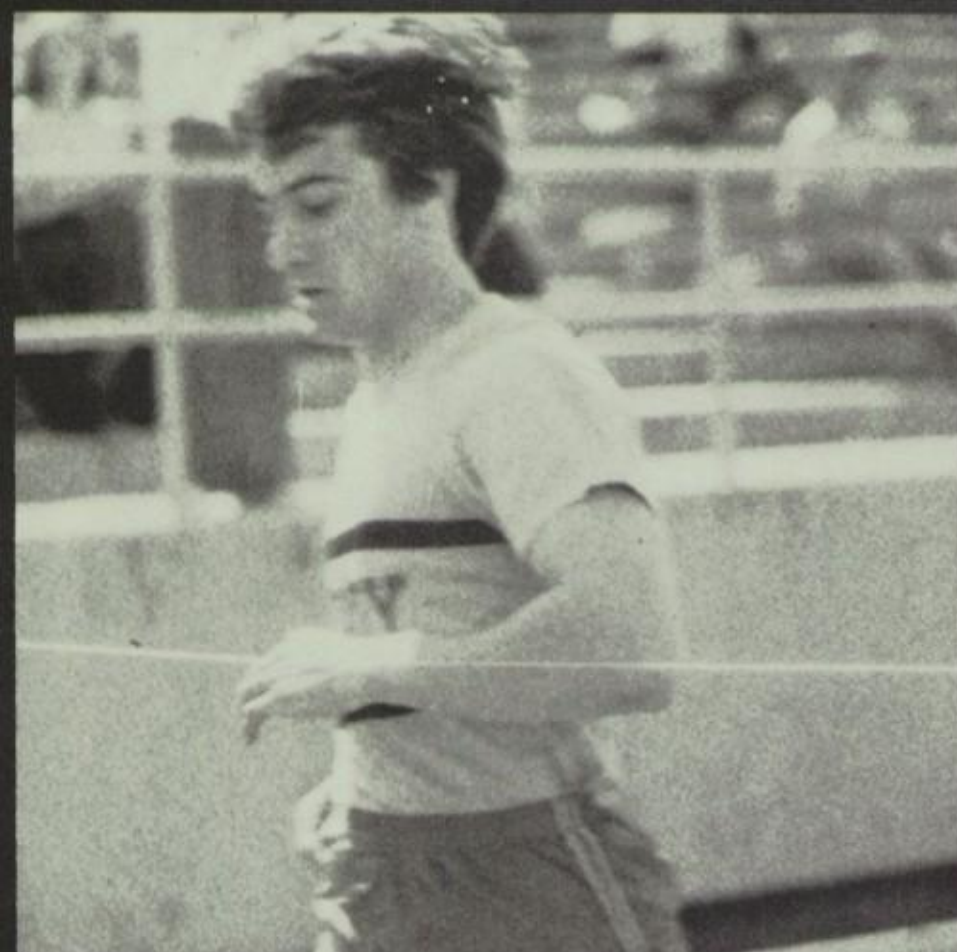

Coach Hartman stressed the "importance that the 11 seniors made. It will be hard to replace Shroyer and all the seniors." But returning will be quarter-miler Bruce Rademachir and polevaulter Mark Peters. As Hartman sees it, along with them will return "one of the better freshman groups to come along."

Seniors display maturity.

Chicken Dinner

The senior class once again supported the Chicken Dinner. This year the senior class added ham to the menu in hopes of getting more people. It seemed to be a great success, for they didn't run out of anything.

The Chicken Dinner is a fund-raising activity to support scholarships for the senior class of next year. This year the senior class raised a total of \$1200.00.

Scholarship Dinner

This year, 139 Troy High School students received a Scholarship "T" at the annual banquet. In order to earn a T, a student had to have been on the Principal's List at least once. The dinner was sponsored by the Troy Chamber of Commerce and T.H.S. Student Council. After a great meal, the scholars were entertained by a trio consisting of Pam Conine, Marla Cummins, and Beth Schultz singing "Try to Remember;" Mark DeWitt playing "Rachmaninoff Prelude in C# Minor;" and Annette Shook singing "People." Michael Barnhart gave a very challenging speech about using the scholastic abilities possessed for a productive life. The T's were then handed out to 67 seniors, 20 juniors, 18 sophomores, and 34 freshmen.

Volleyball

New Coach Vickie Felver was hit with the realization of how tough the W.O.L. competition can be. However, the team finished with a respectable 6th place in the W.O.L. The final record was 3-7, not bad considering the competition. The reserves finished with a 2-8 record. Only one girl had competed in volleyball before. Miss Felver's second year promises to be even more productive.

The Troy Girl's Track Team had an up and down year in the '75 season. They struggled with an 0-4 season record but gelled to place 6th in the sectional. In those sectionals, Sally Hartwell, Sue Richter, Sonya Clarke, Athena Butcher, and Jana Rucker all qualified for the district meet. Five new school records were established this season. Inexperience showed this season, but the future looks bright as the team will lose no members to graduation.

The softball team finished the season with an 0-11 record, Coach Hill declined comment on this year's team.

Senior Slop Day And Ecology Day

This year Senior Slop Day was celebrated with the theme of the fifties. Many of the seniors wore long skirts, rolled-up jeans, muscle T-shirts, and greased back their hair. This added a little excitement and humor to the day and everyone had a great time.

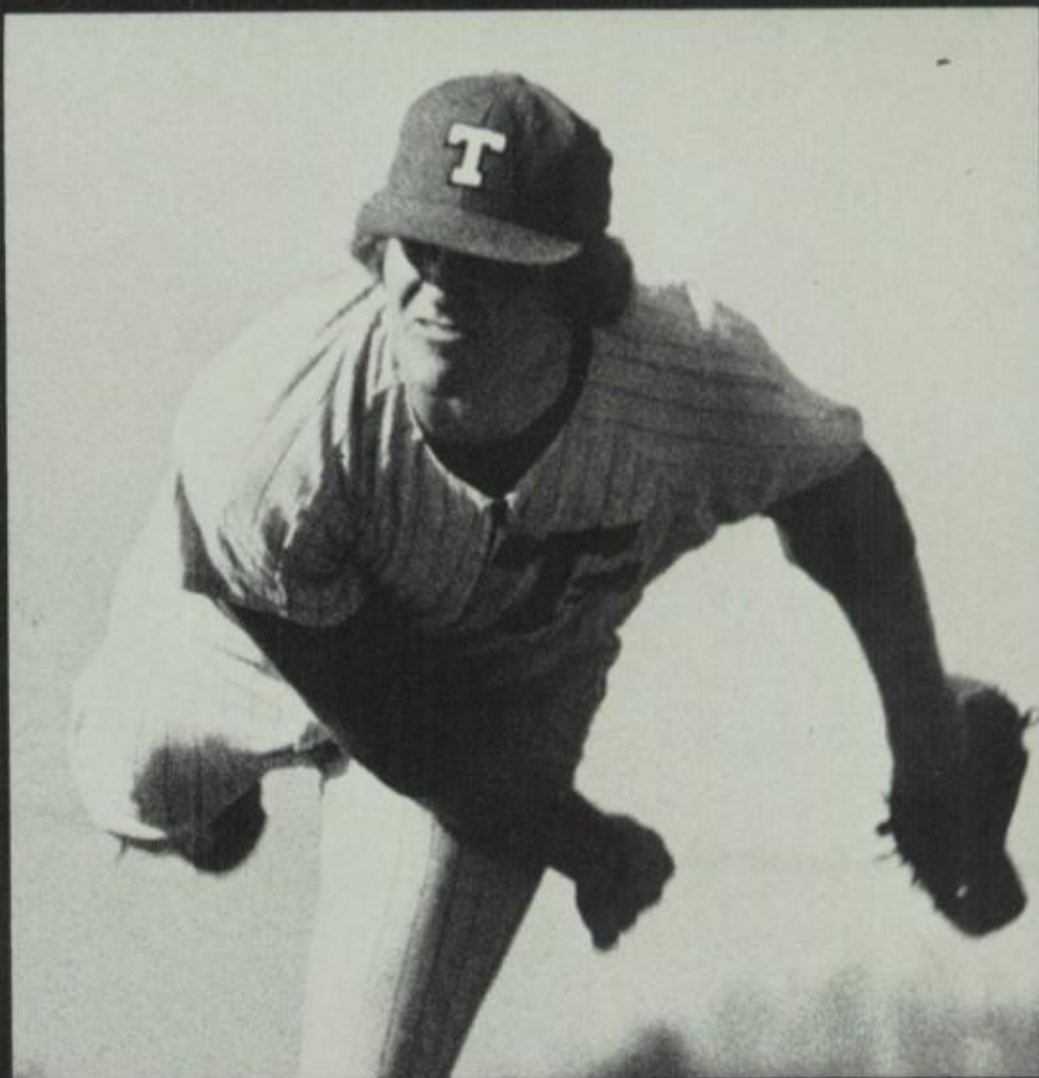

The seniors showed their spirit and pride by going out and cleaning up the city on the annual Ecology Day. Their activities varied from planting flowers along the levee, cleaning up the baseball stadium, trimming shrubs, weeding flower beds, and even washing and waxing the fire engines. The seniors did a lot of hard work to beautify the city.

Troy Baseball

Troy's baseball team finished the season with a 15-10 record. The senior-dominated team had a 5-4 record in the always tough Western Ohio League. The team was led by Bruce Cahill (.312 and 26 RBI), Tim Dumbauld (.333 and 15 RBI), Jerry Weyant (.315), and Dan Cox (.290). Troy's top pitchers were Rick Copp (6-5 and 1.88 ERA), Craig Helmer (3-0, 7 saves, 1.14 ERA), and Mark Fish. The senior dominated pitching staff will be hard to replace. The only underclassmen with extensive action to return next year are Jerry Weyant (Junior) and Dan Cox (Sophomore).

The hustling Weyant was picked to the 2nd team all W.O.L. Bruce Cahill's muscle earned him the team M.V.P. award. Tim Dumbauld was "Best Hitter," Rick Copp "Best Pitcher," and Craig Helmer received the coveted "Fireman" award.

Coach Fletcher, in summing up the season, stated, "We were plagued by injuries, but the team overcame these problems to finish with a respectable season."

The Carson Trophy for the outstanding junior girl was presented to Bev Bader by Sharon Mott. Then the Vesper Trophy for the outstanding junior boy was presented to Stan Iddings by David Abrams. Jim Lyman then sang "Little Flowers," a song composed by himself. David Abrams then presented Mr. Rosen with the Class of 1975 scholarship money which was earned at the Chicken Dinner. Junior class President Ted Mercer presented the Color Cane to Senior class President David Abrams. To close the assembly, John Orsborn led the singing of "Troy High, Live on Forever."

Graduation

The Seniors were together as a class for one final time when they assembled for the highlight of their year - Graduation exercises.

This year, instead of having scholarships handed out on a separate night, they were presented along with the diplomas.

Mark Simpson delivered his salutatory and Jeff Stonerock delivered his valedictory. Following a moving Baccalaureate by The Reverend Clifford Stewart, the Senior Choir sang "I Will Never Pass This Way Again" and the traditional "You'll Never Walk Alone." Mr. James Welbaum then presented the Class of 1975 and Dr. Stanley Vorpe presented the diplomas and Mr. Robert Conard presented the local scholarships. After the exercises there was much rejoicing, laughter and smiles shown by the graduates and their parents.

Senior Toast

We came to this high school with hopes and dreams, but we came also with apprehension. We were apprehensive about what the immediate future held for us. We knew not the people we would meet nor the faculty that would guide us through the next four years. But, we felt that perhaps now was the time to develop an education of the future - to increase our awareness to think and act for the future - for knowledge deals with the past, but our decisions are in the future. We hoped that our dreams would materialize. We dreamed of Utopian societies, free of hate, discrimination, and corruption. Societies in which all could coexist peacefully. But, who could help us to attain these futuristic goals? Who would mold our blurred dream into a clear reality that we could grasp? We found our answer when we came in contact with you - our faculty. If ever we are to succeed in the future, it is to you that we will be indebted. For you have inspired us to think, encouraged us to act and have helped to guide us toward our goals. We are aware that you may remember the times we have fought against you, but you must understand that we would much rather have fought along side you. Even though we have not always heard your exact words, we will take with us your ideas and will find them to be invaluable. So we, the senior class of 1975, would like to toast the faculty for their investment in our future.

- Kevin Lawrence

Faculty Toast

Seniors, Faculty, and Guests . . .

When I came to the Senior Dinner tonight, I did not know what the senior motto was. However, if I had one wish for the class of 1975, I would like them to extend Thoreau's words.

Senior motto: If a man does not keep pace with his companions, perhaps it is because he hears the beat of a different drummer. Let him step to that beat which he hears, however measured or far away.

If you follow those words, seniors, you will not go wrong.

I have been asked to come here tonight and give a "Faculty" Toast. After several attempts at that task, I have decided that I cannot do it. I have decided that this toast must be a personal one. I only hope that the faculty and guests will join me in my toast.

The class of 1975 is special to me. You were all my freshmen when I began my career teaching here at Troy High School. Your growth has been my growth. Your lives have been an important part of my life. It has been my pleasure to share my efforts and my home with the class of '75. It will be my continuing pleasure to watch as you go forth to meet the challenges that each class before you and every class after you must face. I will watch with special confidence that you have prepared yourselves for the challenge.

My toast to the Senior Class of 1975:

May you often taste the thrill of victory.

May the agony of the defeats that must surely come be tempered with knowledge and confidence in yourselves.

May you experience the sheer drama of life fully and show the rawest kind of courage there is,

the courage to reveal yourselves openly and honestly.

May you be willing to risk emotional pain in the anticipation of emotional fulfillment.

A toast to the class of 1975, a toast to the legacy that is yours, a legacy that you now claim, a legacy of life and humanity.

Thank you.

- Steve Boone

Class History

This is the history of '75
Some think it's a wonder we're still alive
It's hard to believe it's been 4 yrs.
Since faced with the usual Freshman fears

It was the year of '71
That ole Troy High School became #1
Even as Freshmen we knew for a fact
We would add the class Troy High School had lacked

Of the Senior bench we were afraid
Because that's where the hunks all stayed
Our freshman guys were not experts
Robbie asked Tom how love worked

We went as a group to the homecoming dance
Around the floor we did not prance
We sat all alone in a little cluster
Dancing was something we could not muster

Downtown Cowboys were our Freshman football squad
But the guys were all really quite mod
Herb excused many from the team
Because their morals were not clean

Our B Ball team was not up to snuff
Because we lost a lot of our stuff
Copp, Lyman, McDowell and Fro
To the reserve team they all did go

The yellow brick road led us to Earth Science
Where we met Munchkins with defiance
We thought we had the class down pat
Until they told us the earth was flat

Tanna and Vicki suspended would be
For smoking their ciggs in the boys' pott-ee
Our suspensions had only begun
We always got caught for having fun

It was now the fall of '72
We thought we all knew what to do
We wore our skirts up to our cheeks
The guys all hoped they'd get a peek

As Sophomores we learned bout birds and bees
As if we'd never heard of these
Schneider and Shaft took it all in stride
And behind his hands poor Stan did hide

Beginning to drive was quite a deal
With Brian and Dan behind the wheel
Anne's Cricket was always completely packed
'Cause Marc and Ev had the Cadillac

Our Freshman team became part of the varsity squad
And all our guys had developed bods
They walked the halls with their chests stuck out
Thinking they had something to boast about

Diane Brewer became a special friend
And Block-T she did defend
Math class will never be quite the same
Without her crazy, cute little games.

At Christmas time the singing began
Little did we know at the Hallelujah Chorus we were to stand
A lecture from Prouty we all did receive
Because this was one of his pet peeves

Carefree gum was all the craze
Everyone had cramped fingers and were in a daze
After all the work that we had done
The results came back and the deaf school won

Miss Bossman came and gave all 'A's'
Though we did nothing 180 days
Miss Hartle taught us English too
To learn our names she stared us through

With Dave and John we examined flies
Red and white were the colors of their eyes
We also shot up baby chicks
To see what hormone made them tick

As our Junior year began in '73
All we thought of was the football we would see
The team that year went 6 and 4
In the league 2nd place was what we bore

February came Prom time was here
We'd do a great job we had no fear
We chose "Disney World" as our theme
Hoping we could fill the senior's dream

Amy worked hard for Pooh to look fine
She spent much of her money and her time
He turned out looking really great
But in the trash can was his fate

The Sophomore girls got in a fight over Sid
The poor guy was so uptight, he just went and hid
The theme "Movies" was quite a sell
Sherry and Sherry did the planning quite well

The farewell assembly was quite a sad affair
We now knew the seniors and really cared
Mallery tried to burn one off in the lot
But the accelerator stuck and he got caught.

One of our teachers by the name of "Big Al"
Got hitched up with a fine looking gal
With hands so large and fingers strong
He taught us History all day long.

Spirit became an unheard of sound
When Block-T dwindled to the ground
Because with their lovers they could not be
The girls decided to quit Block-T

Alan Zunke was quite a spinner

He turned out to be the National winner
Of his skill we are quite proud
He's always seemed to please the crowd

Adamson and Yount with rubies in guts
Can belly dance like a couple of nuts
At the Rec Rhoades' shuffle became quite hot
But a Fred Astaire he sure was not.

The Kevins had a good thing started
With Lisa and Cleo they never parted
Seemed like in Chem class every day
They should've been told about P.D.A.

When the "syndicate" came to be
There was toilet paper on every tree
There were contracts out on every home
And at midnight we all did roam.

The summer of 1974
Could in no sense be considered a bore
As a class we became one
And had ourselves a bunch of fun.

Acme and Legion were our summer baseball teams
As their athletic supporters we liked to scream
The talk of the town was Ricky's knee
As he hobbled about like "Old Man Lee"

Tip City became quite a popular town
When our guys discovered the girls around
They spent their eves going to and fro
And what they got we'll never know.

Lori's party in the summer
Turned out to be quite a hummer
The Girls' State gals were quite a crew
They gave our deprived guys something new.

When we decided to have some fun
To the covered bridge we all did run
We knew not what the results would be
When the cops came and us did see.

As incoming Seniors we visited "Top of the Mall"
And had ourselves quite a ball
Hors d'oeuvres were served in Amy's yard
And good 'ole Jeanne was quite a card.

Our Senior year came mighty fast
It was hard to believe it was here at last
Every day held something new
Cause all our dreams were coming true.

With lots of spirit on the square
Our voices sounded through the air
The spirit carried till the next night
When we beat Piqua - what a sight!

Before the game we all had dinners

To psyche us out for upcoming winners
Of our football team we were quite proud
Because they always pleased the crowd.
We sold the food that fed the fans
As we sweated it out in the Concession stand
To Annual Staff the funds did go
So that our Annual could really grow.
Donaleo's was the place to be
And Mary Beth we would always see
We always used to sing and shout
Until they took the juke box out.

The Rec was the place to boogie down
There was bumping all around
Timmy was an ape one night
And gave the girls quite a fright
George must've liked our class real well
Because he taught us from 7th to 12th
Since everyone's travelling both far and near
George - See if you follow us next year.
Homecoming was really quite a sight
Susan was crowned our queen that night
Paul, Jim, Bill, and John

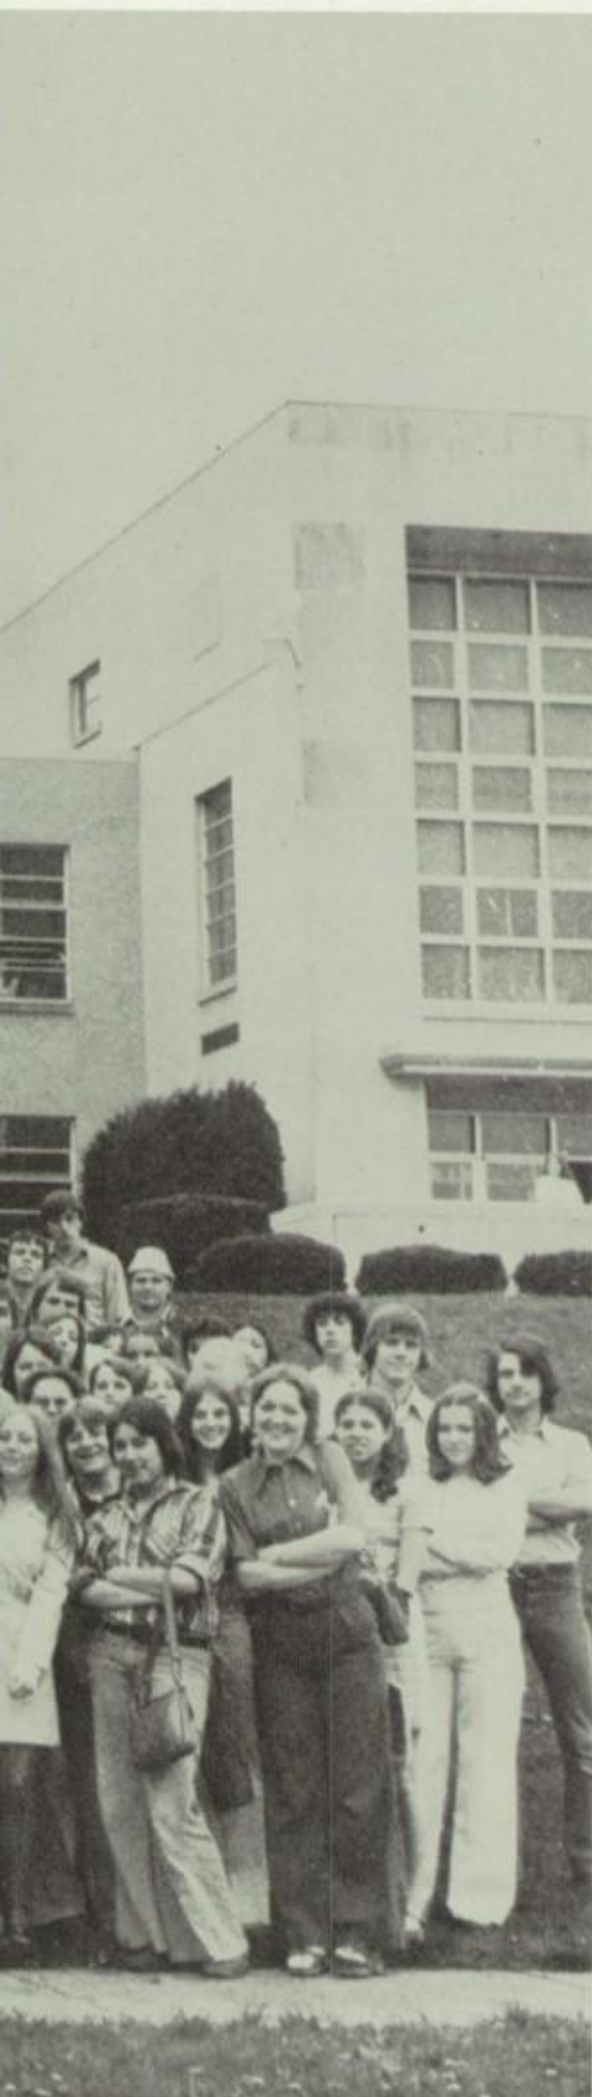

Tried their best to cheer us on
Raindrops fell from all around
As "Harvest" filled the gym with a special sound
The whole affair was super fine
And when it was over we went to dine.
At Halloween time we all did cruise
To the Haunted House cause we heard the news
That this was the place one had to be
To get the hell scared out of thee.
Proud parents the Boone's soon became
Amy Marks was their daughter's name

Their house will never be quite right
 Since Bill and Jeanne moved outta sight

Downtown Troy brightened up this fall
 When the Art students painted the Rec wall
 Mr. Preston headed the willing crew
 It showed our Seniors always shine through.

The basketball team gave us something new
 A winning season - ain't that the stew?
 Our Senior team went 10 and 9
 Our first winning season in a long, long time.

Dough-Boy Deskins at Burger Chef did slip
 On a burger that turned him into a cripp
 Our class as a whole was accident prone
 There was always someone with a broken bone.

We three kings of orient are
 Roaming around the halls afar
 This tradition our class started
 Before, at Christmas break we parted.

Mid-Winter was a dream come true
 Kyle and Keith showed us what to do
 As lovers they waltzed around the floor
 They were a sight we could not ignore.

The night of Formal Mark Schnell got "lucky"
 And happened to stumble into poor Chuckie
 It didn't help that he was well oiled
 And for ten days his grades were spoiled.

Kolleen began to have her bashes
 They were attended by all the classes
 Not only from Troy and surrounding towns
 But from out of state and all around.

The Music Man was quite a success
 Annette and John really did the best
 Everyone worked to portray the story
 And, in the end, received much glory.

The business department did really great
 They even sent Julie Kimbrell to state.
 Yes upstairs they worked hard hours
 And no other school could be matched to ours.

The chicken dinner was quite a sight
 When Amy started the water fight.
 Squirt guns became the thing for sure
 The teachers called us immature.

The SuperDood of 1975
 Is a guy who can hardly drive.
 Tom, Arty, Brian and Jim
 Made up the court that followed him.

Bat Bells and Mat Maids joined the clan
 In backing their teams, they were really grand.
 These clubs soon became quite commonplace
 As they sold us food to feed our face.

The baseball team has done quite well
 In spite of rain, they (gave them hell!)
 Coach Fletcher showed them what to do
 And shaped up quite a crazy crew.

Their mascot is a furry mink
 LB is the name of the lucky fink.
 Double-Bubble gives them cheering fun
 To win they chew it by the ton.

Some of the Seniors of THS did leave
 To go over and learn in old Van Cleve.

They always seemed to get left out
 But their spirit showed they were Seniors, no
 doubt.

Throughout the halls Gary Carnes would be
 Snapping pictures like one, two, three.
 He even taught us to fight Kung Fu
 Without him, just what would we do?

And very soon to our surprise,
 The two pregnant teachers appeared to our eyes.
 Oh, there were always laughs and jokes
 But Mrs. Madison and Chavis were two
 remembered folks.

The Scholarship Dinner was quite a sight
 The Senior Class dominated the entire night.
 With sixty-four Seniors receiving T's
 The parents and faculty we were sure to please.

A new experience was going to the SHE
 Even if you carried a fake I.D.
 After drinking beer and dancing all night
 When we got home we were quite a sight.

There's a boy in our class known as J.T.B.
 If you look around, you'll surely see
 All the posters and paintings he's done
 Including the Bicentennial - his best one!

As Seniors, we had day called Ecology.
 It sure beat going to English and Psychology.
 We washed fire engines and planted flowers
 And dwindled away a couple of hours.

The school's chorale was something to see
 When the girls sang "A Touch of Class" with
 glee.

"I Love My Baby" was the hit of the show.
 Everyone watched how the guys' faces glowed.

Stairway to Heaven was our Prom's theme.
 Adorned with cloud, it filled our dreams.
 Amidst the fog, were Susan and Tom
 Crowned Queen and King of our Senior Prom.

As our senior year draws to its end,
 We realize we're leaving many friends.
 As we bid goodbye to old Troy High,
 All we can say is "Bidey Bye."

As we leave our friends and teachers behind,
 Our uncertain futures engulf our minds.
 As into the troubled world we arrive,
 We'll always know we're the best alive.

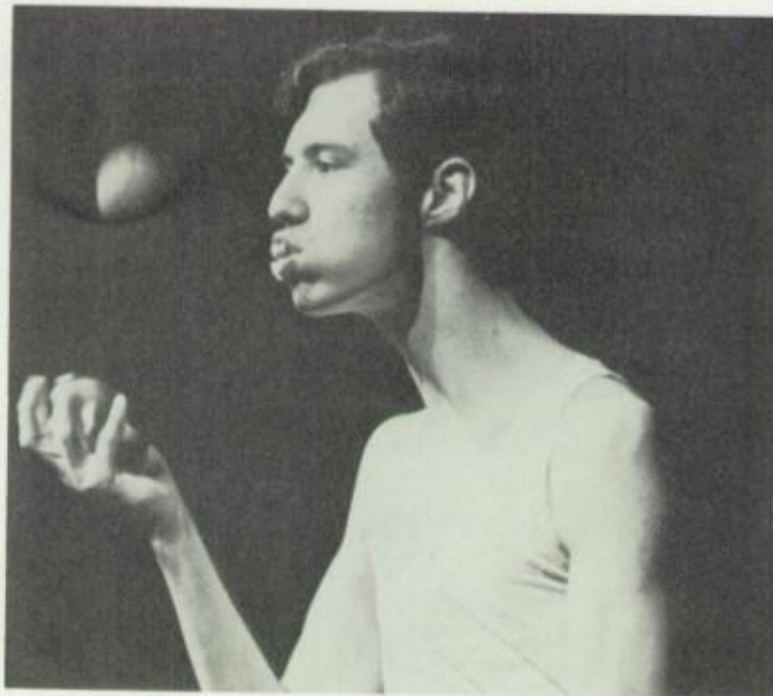

Talent Show

Thanks to Edie Seiple and Mr. McConnell, the First Annual Troy High Talent Show went off with a bang. Except for the fact that MC Tim Bowers didn't get completely dressed.

After many hours of practice, the different performers were ready.

This was no ordinary talent show. There were many different types of talent in the school that people didn't know existed. There was soul dancing, a juggler, and even a clown playing a horn while riding a unicycle.

Pictured here is first place winner Joe Fletcher.

Excitement ran high as the show went on. It was a tough choice, but the panel of faculty judges chose Joe Fletcher as the first place winner while Jim "Elton" Lyman captured second.

It was a great show no matter who won.

Next year, at the Second Annual Troy High Talent Show, we hope they can find an MC who manages to at least get dressed before he goes on stage.

Mini-Courses

This year it was mini-courses at Troy High. Although it is supposed to be educational, it was also a lot of fun. The subjects ranged from horseback riding to bike riding to Kung Fu. The mini-courses took up two days, and the students chose what courses were to be given. They also made up their own schedule.

There are still a few bugs to be worked out, but generally the students and faculty were pleased with the results, and a good time was had by all.

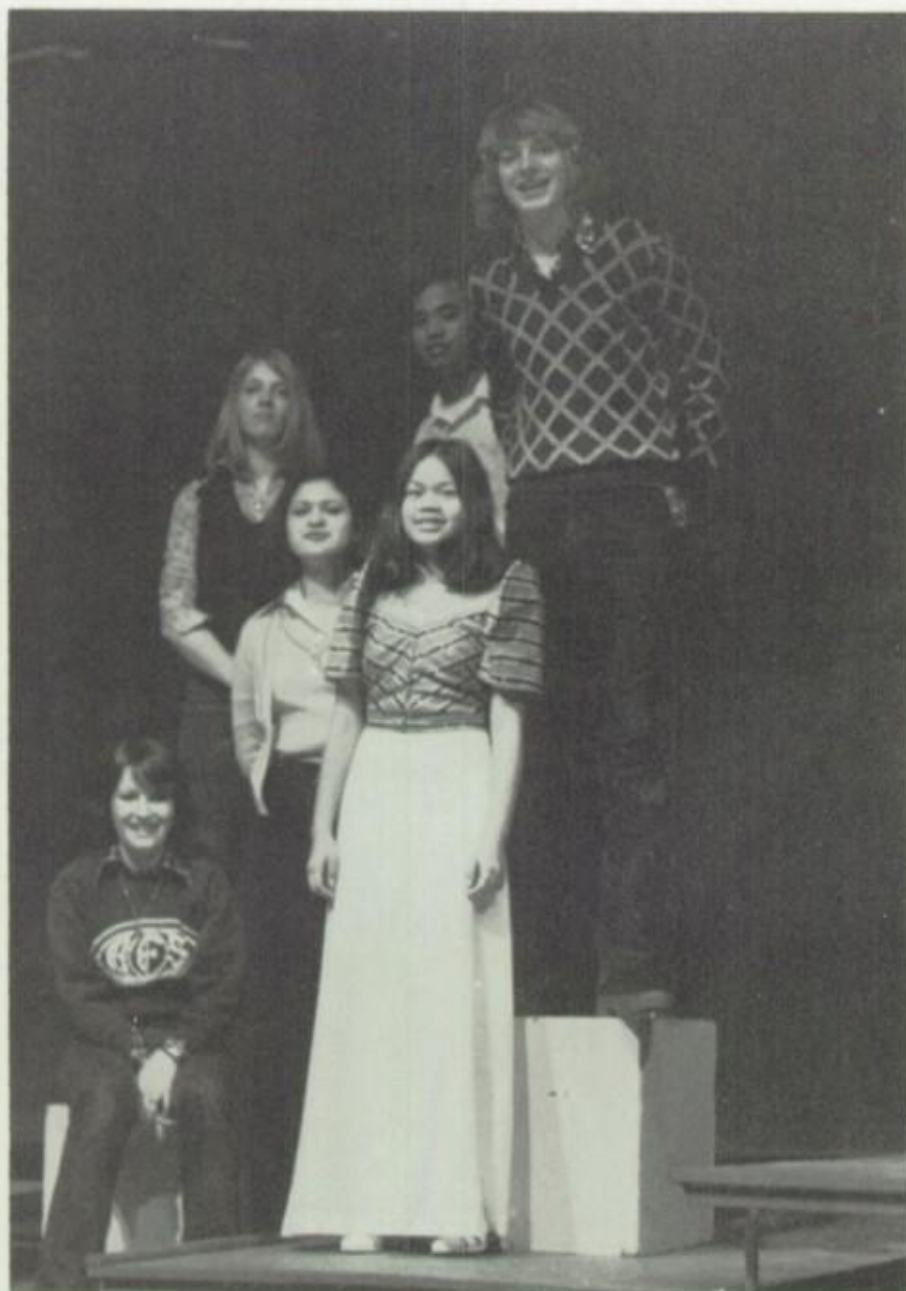

Nancy: "I'm joining the circus next year."

Future 'Super Jocks'

"This year mini-courses, next year the Olympics."

A.F.S.

This year's AFS Assembly found us with six foreign exchange students from all over the world. At the assembly, they each told a little about their own country, and what they do for excitement. Ludee, our foreign exchange student from the Philippines, showed us a dance called, as we remember from grade school days, the "Tinikling."

Pictured left, from left to right are Josy Mancici - France, Jutta Bernhard - West Germany, Cecilia Sierra - Chile, Ludee Verry - Philippines, Hme Ruangsomboon - Thailand, and Anders Holmstrom - Sweden.

Ludee tells us a little about her home and school.

Cecilia tells about her home, Chile and how it is different from Troy. Anders wonders when it will be over.

Anders

Anders Holmstrom is our foreign exchange student from Sweden. He says he likes Troy, and will miss it when he leaves. Anders has been involved in many school activities this year. He also received the "Fresh Mouth" award at the Senior Dinner.

Ludee

Ludivina Verry, or Ludee, as we call her, is from the Philippines. She was valedictorian of her class last year. She has been staying with the David Seiple family this year, and has made many new friends. When she leaves, she will begin her college education.

Cecilia

Cecilia Sierra is from Santiago, Chile. This year she has gotten involved in the school, and we will be sad to see her go. She has been staying with the John Pour family here in Troy.

In Memory of Rick Farris

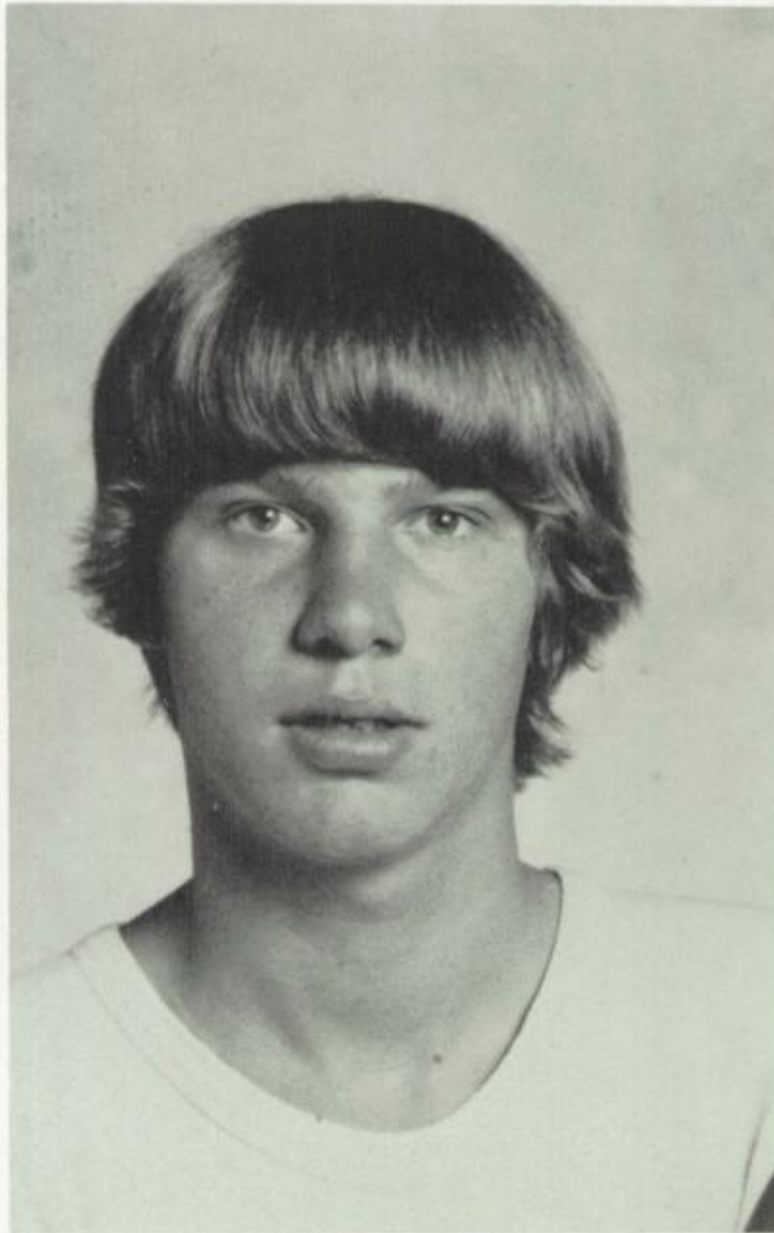

June 5, 1958 - May 23, 1975

"Memories of Love"

Memories,
pictures and memories,
clouds with silver linings,
faces that were shining,
an everlasting love for him.

I see his face,
smiling, laughing all the time,
Memories time can't erase,
pictures of other places we left
behind.

He was here,
he touched our lives and
disappeared,
leaving us without a trace,

just memories time can't erase,
and pictures of love.

But he never went away,
he's with us here today,
in our pictures and memories of
love.

Memories,
pictures and memories,
clouds with silver linings,
faces that were shining,
and memories of love.

Memories.

Retiring . . .

Mrs. Grace Fair, who teaches home economics, began teaching in 1946 in Mendon, Ohio. After two years, she taught at Reading, Ohio, for a year and then came to Troy where she has taught ever since. She has remained here because she says she generally likes the community.

She thinks Troy High School is great, along with the students. She says, "This is one of the best years here because the students are more interested."

Mrs. Fair is planning to travel, now that she has time. She also plans to spend more time at home on the farm, with her husband. She says she will just 'enjoy herself.'

Mr. Norvin Smith was elected thirty years ago to build a physical education program for Troy. He has been a track coach, a basketball coach, and assistant football coach. He was also very active in the door-to-door campaign to get support to build a football stadium. Mr. Smith stated, "I think physical education and health is one aspect of a person's life. Physical education carries over into the student's private life."

Mr. Smith hopes to continue to work in the athletic scene. However, he does want to travel, fish and hunt.

Mr. Raymond Cheney, head of industrial arts, is also retiring. In 1937 he began teaching in Elwood, Iowa. After three years he taught at Monroe Township, in Pickaway County for two years. He served in the Navy for the next three and a half years.

Mr. Cheney has also enjoyed coaching. He has coached football, basketball, baseball, track and wrestling. Mr. Cheney thinks we have a better grade of school than most others in the area. He also feels it is necessary to have a good industrial arts department, because there is such a demand for carpenters. He plans to spend his time traveling and remodeling.

Annual Staff

This year's annual staff worked very hard to produce the Annual. The staff met 4 deadlines with great success. We raised money by selling concessions at the football games, selling ads to local businesses, and selling mums for the homecoming football game. At the end of the year a picnic was held at Mrs. Madison's to take pictures for the Annual, and a great time was had by all.

A special thank you goes to Gary Carnes, Mark Carr, Mr. Hawkins, and Mark Pitsenbarger for all the time they spent taking pictures for the Annual. And a thank you goes to Mr. and Mrs. Madison, Mr. Tilly, and Mr. Cole for helping us whenever it was needed. Thanks finally goes to the staff of 1975 who is proud to present this Annual.

"Our Helpers" Mr. and Mrs. Madison, Nathan Madison, Mr. Tilly.

In Ohio we found the place, people, and opportunity to explore and develop an idea. Inventing, designing and manufacturing machines, equipment and systems for the vast Food Industry and Appliances for the Home is our business . . . wherever food is prepared, served or sold. And we're still growing . . . right along with the vast food and appliance industries. Still expanding in six Ohio plant cities as well as around the world. At the moment, Hobart has 34 plants around the world, 12 of them outside the U.S.A. . . . with sales and service in over 100 countries. Hobart is one of the top 500 industries in America. Whether eating out or at home, Hobart and KitchenAid products enter into our daily lives, worldwide. These products are all directly related to food . . . in processing, preparation and marketing of food . . . and then the efficient and sanitary methods of disposing of food waste, compacting of trash and tableware cleanup, referred to as "doing the dishes" automatically.
